BauderFPO RG

Cleaner activator

24/03/2026

Product description	Cleaning agent for preparing of FPO Thermoplan roofing membranes	
Application fields	Apply Bauder FPO Cleaner activator with a clean, soft cloth on contaminated areas and wipe dry. Ideally use Bauder Cleaning Set. For highly contaminated locations repeat process with more Cleaner and a new cloth. Allow these areas dry sufficiently. Securely close can after use and store in a cool, dry location.	
Colour	Clear	
Article number	6550 0005	
Website link	https://www.bauder.co.uk/products/fpo-rg	

Characteristic	Unit	Value
Chemical base	-	Solvent mixture based on MEK with orange extract
Product storage	-	store closed and cool
Density	g/cm ³	0.84
Viscosity	-	thin liquid
Processing temperature	°C	>5
Reaction to fire	-	Easily flammable
Health risk	-	Irritant
Package size	-	5 l
External fire performance	-	not applicable

Normative references	For undated references, the latest edition of the referenced document (including any amendments) applies.
Handling/PPE	All persons using the product should be fully aware of the manual handling methods as roofing materials are heavy and can cause serious injury. When using/handling the product, installers should be provided with, and wear, suitable personal protective equipment.
Further information/documents	Current documents such as DoP's (where relevant), brochures, installation guides, etc. can be found by visiting www.bauder.co.uk
Safety Data Sheet	Safety Data Sheets are designed to provide the necessary information to recipients of substances and mixtures in the EU & UK. This product is classed as a substance/mixture; therefore, this product does have a requirement for a Safety Data Sheet.
