<b>Installation guidance</b>	Refer to the Bauder Green & Blue Roof Installation Guide.
<b>Product storage guidance</b>	The product should be stored in a cool, dark and dry location, protected against weathering, and must not be exposed to temperatures exceeding 35°C. The products must not be exposed to a direct naked flame or other ignition sources, or to solvents or other chemicals. Where there are storage containers on site, these may be suitable for storing products (see installation guide).
<b>Pallet size</b>	Up to 40 Bags of 10 and 20 kg
<b>Packaging material</b>	White polypropylene bags
<b>Handling/PPE</b>	All persons using the product should be fully aware of the manual handling methods as roofing materials are heavy and can cause serious injury. When using/handling the product, installers should be provided with, and wear, suitable personal protective equipment (ie gloves and protective glasses).
<b>Shelf life</b>	This product has a 12-month shelf and must be stored carefully in line with the guidance given.
<b>Recycled Content</b>	None
<b>Disposal guidance</b>	Waste of the product is not a hazardous substance and can be recycled.
<b>Further information/documents</b>	Current documents such as DoC's, DoP's (where relevant), brochures, installation guides, etc. can be found by visiting <a href="http://www.bauder.co.uk">www.bauder.co.uk</a>
<b>Safety Data Sheet</b>	Safety Data Sheets are designed to provide the necessary information to recipients of substances and mixtures in the EU & UK. The Bauder Flora seed mix is classed as a substance/mixture; therefore, this product does have a requirement for a Safety Data Sheet.
